WE PROPOSE TO FURNISH THE FOLLOWING

AMOUNT

Notes:

- * Excavated dirt and materials to be spread on site, within 30' of the gate, unless otherwise negotiated. Let us know if this is not possible.
- * If electrical option not chosen – No permits, bonds, trenching, conduits, piping or wire pulls to opener, keypad/s or eyes are included in this quote – We will provide wire specs and layouts per your request.
- * Labor quoted at standard wage rates during normal working hours.
- * UL 325 requires gate and counterbalance to be fully meshed with no holes larger than 2 1/4". Rollers must have protective covers, and pedestrians must have egress other than automated gate – These requirements to be the responsibility of fence contractor.
- * The above quotation is based on Metro Overhead Door, Inc. standard insurance limits. We do not carry Builder's Risk, Professional Liability, Cyber Security, Errors & Omissions or Crime Fidelity Insurance.
- * If insurance buy-in (OCIP) program is required, we will charge additional fees for administrative and "real" costs to cover our participation.
- * Price based on normal ground conditions and does not include boring in rock. Metro not responsible for damage to non-located or non-locatable utilities or services.
- * Operator requires a 20 amp dedicated breaker.
- * IF CITY APPROVAL PROCESS IS REQUIRED, WE EXCLUDE ALL RELATED COSTS INCLUDING, BUT NOT LIMITED TO, PLAN REVIEW FEES, SURVEYS, BUILDING PERMITS.
- * Price based on assumption of solid structure. Any extra work due to degradation of structure will be charged on a T&M basis as authorized.
- * Quote assumes wiring in conduit is not crushed and can be pulled through.
- * Flaggers, if required for traffic direction, are the responsibility (and cost) of others.
- * Truck and equipment access to work area for material delivery and installation will need to be allowed.
- * This proposal is based on normal digging conditions (Price is subject to change if unforeseen rock and fill material is encountered).
- * Contractor/Owner shall provide a schedule or completion date, and a reasonable amount of time to complete the work.
- * Due to current supply chain limitations, shipping and manufacturing times are unknown and will need to be verified upon approval of project.
